**Skill Level:** Beginners to Advanced

**Registration opens now. Email [candy734@yahoo.com](mailto:candy734@yahoo.com)**

### **Description:**

In this class we will work in a variety of ways to paint a flower abstractly through gestures, color combinations, shapes, collage if you wish, and values. What is important is not that it looks like a flower, but that it feels like a flower. We will go over different ways to paint your background, whether you paint it first, last or together with the flowers.
