Description:

Come and Try It classes are provided to students who have never tried the medium offered or to refresh your interest in this medium. The students pay the teacher class fee of \$25, and the club provides art supplies to use. This is an opportunity for students to try a medium without having to purchase a lot of art supplies and later find out that they want to work in a different medium.

Sunny is an accomplished artist and teacher who has taught for a number of years in oil and pastel. She is an award-winning artist and is new to our art club. We are lucky to have her teaching in Quail Creek
